The Electric Light plant.

The electric lights were on last night for the first time in a week. ertainment Course will be given at The cause of their not being on was Elmwood Seminary Chapel next Thurse the lack of fuel. The plant, besides Grass seeds of all kinds kept by the day, Oct. 2ad., by Roney's Boys being in a bad combition financially, very much in need of renairs. The dynamo is supply able to furnish good Prot. C. A. Barrow, principal of lights to the whole town, were it not the Libertyville public school, was in for the fact that a great part of the town Saturday. He reports a good current is lost in transmission. The insulation of the main supply wires worn so that much of the current i Just received an elegant line of the lost. If the plant should change elebrated Beifeld Wraps and Read-hands and be thoroughly overhauled, ymade Skirts. Watch for adv. A and some provision made for are lights and some provision made for are lights there would not be as many gasoline lamp systems installed in the stores as there are now. It is reported from a reliable source that the electric plant is going to change hands soon. Also that the conditions of the plant will be improved, by the lostallation of some at this writing, led by the Taylor Drug Store.

C. W. Landis, "Porter" for the Oriental Hotel, Chanute, Kan., says: "I know what it was to suffer with neural giant friends.

The body of Grandma Pipkin of Sinow Liniment and I was 'raised from the dead.' I tried to get some more, but the conditions of the plant will be improved, by the lostallation of some at this writing, led by the Taylor Drug Store. the Kindergarten will be sold on Friday afternoon at 3 o'clock, at the room in Baptist College.
